About ICMMCS 2025

Join us in Muscat, Oman, from November 11-13, 2025, for a transformative conference that bridges disciplines and inspires innovation. This conference offers the ideal platform to showcase your research, publish papers, and network with leading experts from around the world. The conference also serves as a hub to foster collaborations and explore cutting-edge solutions to today's most pressing challenges. Don't miss this chance!

Theme

"Bridging Disciplines, Inspiring Innovation"

ICMMCS 2025 provides a dynamic "Bridging Disciplines, Inspiring Innovation" convergence of knowledge, research, and industry expertise across interconnected fields.

Opportunities

ICMMCS 2025 is giving you an opportunities to present your research, publish your papers in ESCI and SCOPUS-Indexed journals, showcase your ideas through poster presentations, and establish global partnerships.

Objectives of the Event

Call for Papers

Submit Your Research

Present unpublished or under-review papers on a global platform.

Global Audience

Interact with subject experts, share insights and expand the impact of your research.

Prestigious Publications

All accepted papers will be published in ABDC, ESCI & SCOPUS-indexed Journals.

Who Attends?

Researchers

Academic scholars presenting groundbreaking studies

Academics

Pioneers sharing insights and advanced expertise

Professionals

Industry experts exploring latest trends and innovation

Students

Emerging innovators eager to learn and network

Why Attend ICMMCS 2025?

Present your research, engage in thought-provoking discussions, network globally, and experience Muscat's rich heritage. Join us for an enriching and transformative experience where knowledge knows no bounds and new possibilities emerge!

Prof. B.K Dass

(Visiting Professor in China,
Italy, Thailand.

Ex-HOD, University of Delhi)

Honorary Chair

Prof. Dass was elected President of the Mathematical Sciences Section of the Indian Science Congress Association (2008–2009). He served as Chairman of the National Committee for "India Mathematics Year 2009" of the Ministry of Science and Technology, and was elected President of the Academy of Discrete Mathematics and Applications. He has also been a member of the committees that established several Centres of Mathematical Sciences in India, including those at Kerala, Banaras Hindu University, Banasthali University (Rajasthan), the Indian Institute of Science (Bangalore), and the C.R. Rao Institute in Hyderabad. Additionally, he was appointed Chairman of the committee for the initiative "Human Resource Development in Mathematics" by the Department of Science & Technology, Government of India, and served as Ambassador for the International Congress of Mathematicians (ICM) 2014 held in South Korea in August 2014.

Chair

Dr. S. Innamoratti

University of L'Aquila, Italy

Prof. R.C. Poonia

Christ University

Prof. Dr. Charles Shieh

Huaqiao University, China

(and many more from USA, Europe, Asia)

Co-Chair

Dr. G. Aggarwal

Amity University, Tashkent

Prof. S. Shakya

Tribhuvan University, Nepal

Prof. S. Sebastian

Christ University, Delhi NCR

Registration

Reserve your spot at an early bird rate and enjoy significant savings on registration fees. Exclusive discounted rates are also offered for participants from SAARC and GCC regions, ensuring broader access and empowering them to actively participate, contribute, and emerge as the next generation of pioneering materials scientists.

Region	Students		Academicians		Industrialists	
	Regular	Early Bird	Regular	Early Bird	Regular	Early Bird
SAARC Nations	\$120	\$110	\$150	\$140	\$200	\$190
GCC Nations	\$250	\$230	\$350	\$330	\$450	\$430
Rest of the world	\$300	\$270	\$400	\$370	\$600	\$570
